

PACKAGING

This chart will help you identify HOW to package a catering order, what container is used for which items and HOW MUCH of this product will fit into each container.

Follow this chart for consistency of catering presentation and ensure the final product is safe and secure for transporting.

NOTE: Cold items can be packaged in 16oz containers for smaller orders.

Item	⅓ Pan	½ Pan
Protein	3lb	5lb
Queso	3lb	6lb
Onions and Peppers	3lb	5lb
Beans	3lb	5lb
Rice	3lb	5lb
