

FOOD FOCUS

STIR • FLIP • WIPE

People eat with their eyes.
People's perception of quality, freshness, and cleanliness starts with what they see.

STIR We stir our food constantly,
at least every **10 minutes**.

HOT

Lex and Team
at Riverchase

RICE: No Craters, Crusty Edges, Clumps
BEANS: Hydrated, covered in bean juice
PROTEINS: ½ in by ½ in
QUESO: No film on top, double-boiled, not orange
CORN/VEGGIES: Full, fresh

COLD

Lex and Team
at Riverchase

PICO: Not swimming
CHEESE: No clumps or craters, fluff it
GUAC: GREEN
VEGGIES: Well drained, fresh & full

FLIP We flip our Pans **AND** Spoons
BEFORE they look dirty.

SPOONS & LADLES: Changed every shift

RICE & BEANS FLIPPED: No crust around
the pan

ALL OTHER PANS: Flip if you can't clean it
to see the stainless rim

BOTTLES: Lids labeled facing UP, Green Tips

WIPE We wipe our hot and cold tables constantly, at least every
10 minutes with sanitizer water. Wring the towel out well.
