1. Prepare the 4 burritos and 4 tacos following the Burrito/Taco Pack Line Builds and guest specifications for shell and protein. Wrap each in foil and label with the protein choice.

2. Portion 6 sides of House-Made Salsa into 2 oz. souffle cups with lids. Collect 4 napkins.

3. Place 6 scoops of chips into a Moe's Logo'd Paper Bag, then add 6 salsa sides on top. Insert this bag into an approved to-go bag.

4. Carefully place the burritos and tacos into a separate Moe's Logo'd Paper Bag, ensuring the tacos are placed on top!

5. Place this bag next to the chips bag inside the approved to-go bag. Add the 6 napkins on top.

6. Seal the bag with a tamper-resistant to-go sticker, attaching the receipt to the outside. Then stage for pickup.

REMEMBER: Chips & Salsa should be packaged in a separate bag from the entree's.
