QUESADILLAS

This line build demonstrates how to make the quesadilla using a press. Place all ingredients on one half of the tortilla.

If your restaurant doesn't have a press, spread the cheese evenly over the entire tortilla but omit the top layer of cheese.

VARIETY VALUE PACK

1. Prepare 2 stacks, 2 quesadillas and 4 tacos following the Variety Pack Line Build and guest specifications for protein. Wrap each in foil and label with the protein.

2. Portion 6 sides of House-Made Salsa into 2 oz. souffle cups with lids and gather 6 napkins.

3. Place 6 scoops of chips into a Moe's Logo'd Paper Bag, then add 6 salsa sides on top. Insert this bag into an approved to-go bag.

4. Carefully place the 2 stacks, 2 quesadillas, and 4 tacos into a separate Moe's Logo'd Paper Bag, ensuring the tacos are placed on top!

5. Place this bag beside the chips bag inside the approved to-go bag. Add the 6 napkins on top.

6. Seal the bag with a tamper-resistant to-go sticker, attaching the receipt to the outside. Then stage for pickup.

REMEMBER: Chips & Salsa should be packaged in a separate bag from the entree's.
