TEAM POMPTON PLAINS

TEAM MAHWAH

THE STORY

Team Pompton Plains shattered the street team record with 2,142 sign ups!

WHAT WE LEARNED

- Contact large employers early so they can spread the word
- Get schools' OK early for on-site marketing: a game changer
- Call and email catering guests from the last 4 weeks to invite them

STEAL THIS

Ask gyms and large employers to post an A-frame or flyers with the QR code.

STREET SMARTS
with Randy

THE STORY

Team Gastonia became the second team ever to break 2,000 sign ups, with 2,079!

WHAT WE LEARNED

- Pass out flyers in the store 5 days before the event
- Visit first responders, school staff and car dealerships a few days before the event
- Make each flyer personal to the group you hand it to

STEAL THIS

Personalize your flyers: "for first responders" or "for Gaston County Schools staff" gets noticed.

STREET SMARTS

with Ray

TEAM PRATTVILLE

THE STORY

Ray, Mark 627 and Team Prattville visited the local high schools and talked to the coaches. The whole football team showed up Tuesday night with parents, girlfriends and siblings in tow! They ended the night with 1,590 sign ups!

WHAT WE LEARNED

- Visited all 3 high schools' football practices and talked to the coaches
- Left flyers with coaches to share with players and families
- Stopped by band practice
- Teams and their families came out in force

STEAL THIS

Visit high school football and band practices, talk to the coaches and leave flyers.
